

General Information for Visitors to ChemCentre

Meeting Point:

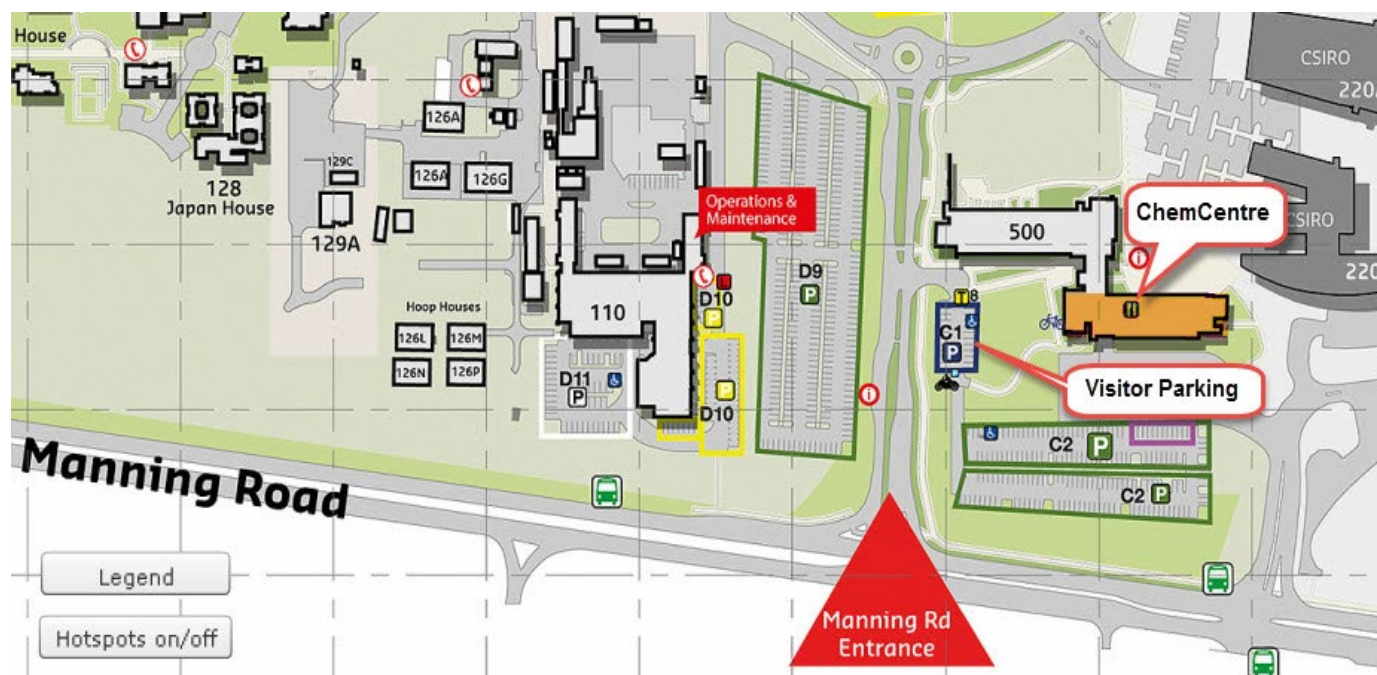

ChemCentre is located on the Curtin University premises within the Resources and Chemistry Precinct - Building 500, map reference V10 <http://properties.curtin.edu.au/maps/>.

Please meet your ChemCentre representative and sign in at reception, located on level two.

Parking:

Paid Visitor Parking is usually readily available. To find the bays, enter Townsing Drive off Manning Road, and take the first right into the Visitor's Car Park. Visitor parking is marked with blue bays, charged at \$3.50 per hour and can be paid for with cash or credit at ticketing machine.

Alternatively, visitors can download the [cellopark](#) app and create an account prior to their visit, enabling you to pay for parking in yellow or green bays (\$6/\$4 per day). Please note, there are no ticketing machines for the yellow or green bays therefore you must install/set up the app prior to your visit, and the bays are usually in high demand.

Safety Requirements:

Safety Glasses:

Safety glasses will be provided to all visitors, as required throughout the visit.

Enclosed shoes:

All visitors are required to wear completely enclosed shoes. Incorrect footwear will prevent entrance into laboratory spaces and related activities.

Enclosed footwear must cover the entire foot

Below are examples of unacceptable footwear

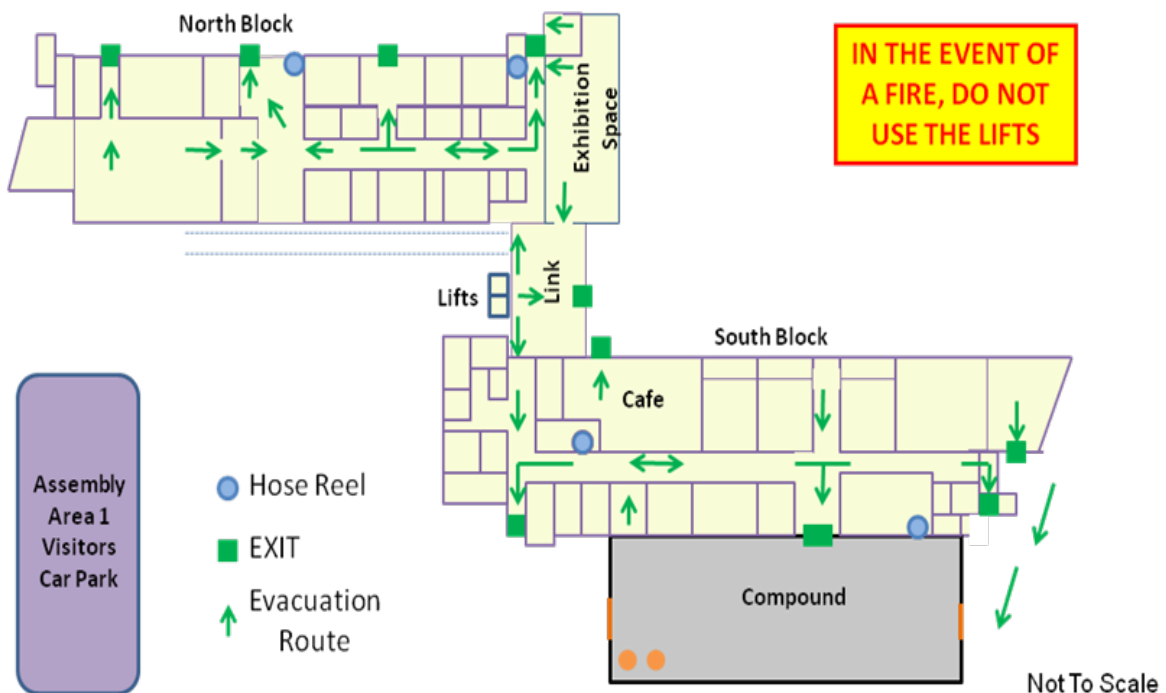

In case of an emergency:

B500 Evacuation Procedures for Occupants

- Evacuation routes are displayed throughout the building.
- Familiarise yourself with the most appropriate evacuation routes.
- The evacuation alarms are audible and visual; there is a two-minute long warning signal followed by an evacuation alarm.
- Upon the evacuation alarm make follow your ChemCentre representative towards the nearest emergency stairwell. Do not return to collect bags if you have left them elsewhere.
- Evacuate by emergency stairwells **only**, the paths and exits are illuminated with a green exit sign mounted on the ceiling. Travel single-file down the stairs, holding onto the rail. This is to allow easy access for Emergency Services.
- Follow the directions of the fire wardens (red vest) as their role is to assist in the evacuation.
- South block assembly point is in the visitor's car park, southern side near the main entry.
- North block assembly point is northern side of building, Brand Drive/CSIRO entry.
- Do not remain near the building; ensure you assemble as a group at the assembly point.
- Take advice from assembly point warden (white vest).

B500 Evacuation Floor Plan Level 1

Student List

Teachers are asked to bring a list of attending students to the visit; this list will be used to sign in and in the case of evacuation.

Disability and Special Needs:

If any member of your group has a disability or a special need, ChemCentre will make every effort to assist in accommodating the request, simply advise your ChemCentre representative at your earliest convenience. Tours require some walking; ChemCentre facilities are wheelchair friendly.

First Aid:

Teachers have duty of care of students and are responsible for any specific requirements of the students at all times. ChemCentre has first aid kits and first aid room. If a student requires medical please bring this with you.

Lost or running late?

If you are lost or running late, please contact your ChemCentre representative as soon as possible.

We hope this helps you prepare for your visit. If you have any additional questions, please do not hesitate to contact your ChemCentre representative.

We look forward to having you at ChemCentre.

Kind regards,

ChemCentre.
